WILLIAM RICHAR

TRAN 057163

To CEA

5/15/68

Bob Kelly is working on these analytical methods so we can adequately answer any inquiry. Dr. Kelly seems correct. We are hoping to close slowly. Any info we get which is distinctly harmful should be reported so we may pay for it.

I believe we should do anything to control progress of Arida to maintain our credit in dealings w/ our customers.

This is why I do not see Thomas FR in stock yet.
