Mr. Kelly,

I hope you are doing well. I wanted to let you know that Troy executed the AOC with Region 2 today. As the document attached states, Troy still has some ongoing concerns, however, they want to move the process forward and get to a remedy that works for all parties as quickly as possible.

I will be reaching out to you to keep you apprised of this matter. I want to thank you for all of your help and look forward to working with you in the future. Have a great weekend.

Best,

Ben
