November 18, 1971

Mr. Mike Quinn
Newsday
Union Avenue
Ronkonkoma, Long Island, N.Y. 11779

Dear Mike:

Enclosed are a couple of articles we talked about on the telephone. I also suggest that you write to the Center for Political Research, Donald D. Kummerfeld, director, for a report entitled "Federal Policy on PCB Contamination of the Food Chain."

Best regards.

Sincerely,

Edward V. John
Director of Public Relations
