Alex,

Copied here is the edited unofficial transcript for Dan Bishop.

As you can see, instead of the word "Impoundment", "Empowerment" was used, so we made those edits.

Thank you,
Hugh

Good Afternoon,

Please find attached the unofficial transcript for the Senate Budget Committee hearing on March 05, 2025, "The Nomination of the Honorable Dan Bishop, of North Carolina, to be Deputy Director of the Office of Management and Budget." These transcript pages are furnished to you so that you may review Mr. Bishop's statements and make necessary typographical and grammatical corrections. Other minor clarifying changes are acceptable provided they do not change the context of the original testimony. Changes in substance are not permitted and excessive editing will be ignored.

Corrections can be made in whatever format is easiest for you (printed/scanned or electronically), however please mark the changes clearly. If you have no edits, please let me know.

Transcript edits should be emailed back to me by **Tuesday March 18, 2025**. I can't guarantee that any corrections received after this date will make it into the final transcript.

Please let me know if you have any additional questions.

All the best,

Alex Scioscia, *Hearing Clerk*
