Phoenix Pure Paint

Is a pure lead and oil paint adapted to the climatic conditions of Santa Clara County. Did you know that paint prepared for one place could not be used successfully in some other section? Heat, salt air, wind and cold have a great bearing on paint. We therefore recommend Phoenix Pure Paint in this section.

We will be pleased to give you prices.

Ask us for color suggestions.

Have plenty of color cards to give you and can furnish the paint in any quantity. Quarts, half and five-gallon cans.
