

1 Do you recall that?

2 A Yes, sir.

3 Q Okay. And I think it was Mr. Carter who
4 testified that during the course of the brake job
5 during those years because they didn't have the lift,
6 they would do either the front brakes or the rear
7 brakes, correct?

8 A Yes, sir.

9 Q So if we take that testimony into
10 consideration, then, would it be fair to say that in
11 order to change all of the brakes in the 150 vehicles,
12 given the testimony of Mr. Carter, that would have
13 been somewhere in the neighborhood of 300 brake jobs?

14 A Yes, sir.

15 Q Okay. Now, I am going to have yet another
16 opportunity to display my poor math skills for the
17 jury, but maybe you can help me out here.

18 THE COURT: Would you like to use my
19 calculator?

20 MR. WILLIAMS: I am not very good with
21 technology either, Your Honor, but thank you for the
