Confirming our lunch appointment ... do you think we could meet up at 12 noon instead of 12:15? If not, that's OK.

Sometimes people rebel against their upbringing... Always safer to ask.

Reservation is made, see you next week.

I'm from coastal New England so I kind of have to like seafood. Tadich Grill works. See you there.

Tadich Grill? Unless you hate seafood then we should do Del Frisco maybe.

Sure, 12:15 works. I rarely leave the building so have no idea what places are near EPA besides Del Frisco and Elephant & Castle, so just pick a place and I'll meet you there.

Time and place? I'm happy to come close to your office. 12:30 work? Or maybe 12:15?

Thanks, I am back in the office. I am trying to track down info but do not have anything to report yet. Would be interested in taking you up on offer to grab lunch, perhaps next week if you're around.

Byron - sorry to bug you and hope things are as good as they can be on the family.

Just wanted to ping you and see if you had heard anything about the energy star issue we talked about? Happy to discuss over the phone and happy to grab lunch or a beverage one of these days to chat.

Thanks,

Dimitri
