Todd and Aurelia:

On behalf of the EEI team, we want to express our appreciation for taking time out of your busy schedules to meet with us as part of the EWAC delegation yesterday afternoon. We found the conversation to be useful and believe there are numerous opportunities for constructive engagement going forward, underlying major DOI policy initiatives and outreach to a range of key constituencies. We want to reiterate that EEI and the investor-owned utilities collectively have both broad bandwidth and deep benches relative to policy and communications issues in DOI's extensive sphere of influence. We welcome the opportunity to continue working with your team and other agency colleagues on issues of mutual importance, so don't hesitate to reach out any time. Again, it was a pleasure meeting you and thank you for your courtesy.

Best,

Sarah Ball & Rick Loughery

Hello Mr. McGrath,

I arrive at WAFWA today and will leave tomorrow. I'm not sure of my departure time, but welcome the opportunity to meet with Active Networks. I'll be in touch when I get my schedule. Thank you.

Ms. Skipwith,

I have heard that you might be in Vail for the WAFWA meeting. I was wondering if you might have a few minutes to sit down with my client Active networks. They run the Recreation.gov website amongst the rest of their business. We will be there all day Sunday if you have a few minutes.

Thanks,

Bill
