Subject: Re: Site visit to Ben Guerir - invitation by OCP

Mr. Hajoui,

We would be delighted to add the tour of the University, a visit to the Green Energy Park, and time with Mr. Terrab to the Administrator's agenda on Tuesday.

What, may I ask, is the distance to Marrakech from this facility? If there is time Tuesday evening, the Administrator would likely enjoy the opportunity to visit the medina but I want to ensure we have enough time at the University.

May I kindly request a few more details regarding the presentation?

Also, thank you so much for the generous offer to provide lunch. We plan on ensuring the Administrator and his staff eat before departing Rabat so it will not be necessary to provide a meal.

Finally, our advance team is on the ground in Marrakech today. I believe they are coordinating with your team to find a time to come by today in order to walk through the University and visit the Green Energy Park. My colleague, Forrest McMurray, is the person handling those arrangements.

Thank you greatly for your hospitality. I look forward to meeting you soon.

Millan

Dear Mr. Hupp,

Thank you for your message. It is a pleasure to meet you as well.

We will be glad to host Administrator Pruitt at the Mohammed VI Polytechnic University in Benguerir.

If you leave Rabat at 12pm you will arrive slightly before 3pm.

Mr. Terrab will be there to host the Administrator.
