Please advise if you received the agenda I have sent twice, perhaps it is getting caught up in your spam? I will send again now.

Jeff,

Thank you for seeking clarification. Forrest is offering either 2PM or 230PM to do the walk through. Also, I do not believe we have seen the agenda. Could you kindly send over?

Thank you so much.

Hello I wanted to clarify is that this request to provide a 30 minutes' walk through only? Have you seen the agenda that went sent forward? Just want to make sure that we provide the right tour/information in the available time.

Thanks.

Good afternoon,

I am the advance lead for the Administrator's trip to Tulsa this upcoming week. We are working to get you the names of the EPA visitors that will be attending the tour on Wednesday. As for the advance walkthrough it will be myself as well as one agent (Chris Smith).

We are planning to fly into Tulsa around 12:30 on Tuesday. Could you all do a 2:00PM or 2:30PM walkthrough of the facility on Tuesday afternoon? Also, if you all wouldn't mind shooting over a physical address of the facility I would greatly appreciate it. If you have any questions feel free to email or call my cell. Thank you all for your help.

Forrest McMurray
