Dear Kevin:

Your last letter of 12/19/83 indicated that the above case was probably going to be set for trial in the late summer or early fall of 1984.

Have you heard anything further? Please advise the undersigned regarding this when you have a chance. We would also like to know if there is any further information from us that you will need.

We look forward to hearing from you.

Very truly yours,

THE SHERWIN-WILLIAMS COMPANY
