

CURRICULUM VITAE

JOHN E. CRAIGHEAD, M.D.

November, 1995

Department of Pathology
University of Vermont
College of Medicine
Burlington, VT 05405

Personal History: Born - August 14, 1930; Pittsburgh, PA

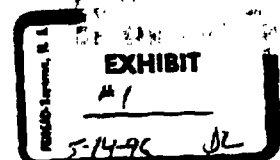

Education: University of Utah, B.S., 1952
University of Utah, M.D., 1956

Appointments:

1955 Los Alamos Scientific Laboratory, Los Alamos, New Mexico (summer)
1956-57 Intern, Ward Medical Service, Barnes Hospital, St. Louis, MO
1957-58 Laboratory of Infectious Diseases, National Institutes of Health, Bethesda, MD
1958-60 Middle American Research Unit, National Institutes of Health, Balboa Heights, Canal Zone
1960-61 Junior Assistant Resident in Pathology, Peter Bent Brigham Hospital, Boston, MA
1961-62 Senior Assistant Resident in Pathology, Peter Bent Brigham Hospital, Boston, MA
1962-63 Chief Resident in Pathology, Peter Bent Brigham Hospital, Boston, MA
1963-66 Associate in Pathology, University full time, Harvard Medical School, Boston, MA
1963-68 Associate in Pathology, Peter Bent Brigham Hospital, Boston, MA
1966-68 Assistant Professor of Pathology, Harvard Medical School, Boston, MA
1968-69 Associate Professor of Pathology, University of Vermont College of Medicine, Burlington, VT
1969- Professor of Pathology, University of Vermont College of Medicine, Burlington, VT
1974-1990 Chairman, Department of Pathology, University of Vermont College of Medicine, Burlington, VT
1970-1994 Attending Physician, Medical Center Hospital of Vermont, Burlington, VT
1995- Attending Physician, Fletcher Allen Health Care, Burlington, VT

Societies:

Academy of Pathology
American Association for the Advancement of Science
American Association for Cancer Research
American Association of Pathologists
American Medical Association
American Thoracic Society
Association of Pathology Chairmen (President, 1981-82)
International Academy of Pathology (Councillor, 1980-84)
New England Society of Pathologists (President, 1980-81)
Massachusetts Society of Pathologists (Executive Committee, 1967)

Chittenden County Medical Society
 Vermont Medical Society
 American Society for Virology

Board Certification:

American Board of Pathology (Anatomic Pathology) 1963
 American Board of Pathology (Clinical Pathology) 1967
 National Board of Medical Examiners

Honors:

Special Fellow, National Institutes of Health, 1963
 Royal Society of Medicine Traveling Fellow, 1971
 David Rumbough Scientific Award, 1976
 Moses Barron Award, 1977
 Harry B. Harding Memorial Lectureship, Evanston Hospital, Illinois, 1981
 Fourth Annual Karl Schilberg Lectureship, University of Illinois, 1981
 H.P. Smith Memorial Award, American Society of Clinical Pathologists, 1987
 Finlayson Seminar Lectureship, McGill University, Montreal, 1987
 George Hoyt Whipple Lectureship, University of Rochester, 1989

University Service:

1969	<u>Ad Hoc</u> Committee on Medical School Governance
1971-72	Acting Director and Member of Executive Committee, The Environmental Program
1971-72	Chairman, Search Committee for the Director of the Environmental Program
1972	Chairman, Assessment, and Chairman, Search Committee, for the Department of Community Medicine
1972-76	Associate Director, National Heart and Lung Institute, Special Center of Research in Pulmonary Disease
1976	Chairman, Search Committee for Department of Medicine Chairman
1976-80	Director, Vermont Lung Center (National Research and Demonstration Center of NHLBI)
1980-	Director, NIEHS Environmental Pathology Training Program
1983	Chairman, Search Committee for Director, Vermont Regional Cancer Center
1988-91	Member, Vermont Regional Cancer Center

Government Service:

1966-68	Associate Member, Commission of Viral Infections, Armed Forces Epidemiological Board
1971-75	Advisory Committee on Infectious Diseases, National Institute of Allergy and Infectious Diseases
1970-	<u>Ad Hoc</u> Study Sections, NIAID, NHLBI, NIAMDD, NCI, NIEHS, EPA
1979-81	National Research Council Assembly of Mathematical and Physical Sciences, U.S. National Committee for Geochemistry Subcommittee on the Geochemical Environment in Relation to Health and Disease, Panel on the Geochemistry of Fibrous Materials Related to Health Risks.
1984-86	Pathology A Study Section, National Institutes of Health.
1985-89	National Advisory Environmental Health Sciences Council, National Institutes of Health
1993-	Advisory Committee, Registry of Comparative Pathology, Armed Forces Institute of Pathology

Non-University Professional:

1978-84	Association of Pathology Chairmen, Inc.; Secretary-Treasurer, Vice President and President.
1978-81	National Board of Medical Examiners; Pathology Committee
1978-82	American Society of Clinical Pathologists Basic Science Research Symposium Committee

Curriculum Vitae - J.E. Craighead, M.D.

3

- 1978-80 Juvenile Diabetes Foundation Medical Science Advisory Board
- 1979-83 Residency Review Committee for Pathology, Vice Chairman (1982-84) Accreditation Council for Graduate Medical Education - ACGME
- 1980-81 Environmental Resource Committee, Council on Pathology Practice, College of American Pathologists
- 1982-83 Council of Scientific Affairs - American Medical Association - Advisory Panel on Asbestos Related Diseases; Panel Chairman
- 1991- Scientific Program Director & Chair of Environmental Pathology Task Force; Universities Associated for Research and Education in Pathology
- 1992- Pulmonary Disease Panel, American Registry of Pathology
- 1992- Advisory Council, Registry of Comparative Pathology

Editorial Boards:

Laboratory Investigation
Archives of Pathology and Laboratory Medicine
Human Pathology
American Journal of Pathology (1980-1992)

Publications:
