[Ex. 6] I think about moving back there once I'm done here. However, I really love this area – so who knows. [Ex. 6]
[Ex. 6] In any case, we'll keep in touch on the stormwater stuff, and let me know when you're in Bentonville again.

Rich:

I also enjoyed lunch and seeing the progress on the square. I will gladly keep an eye out for opportunity in the mid-atlantic area. [Ex. 6]

Ken/Anne
I enjoyed having lunch yesterday and giving you the latest information on our stormwater project. And, you got to try one of Bentonville's very hip restaurants – we have tons more, so come back another time. When you guys came in [Ex. 6]

[Ex. 6] Ken – I've attached a resume in case you hear of something that might align with my background. It's old and not the prettiest, but it gives an idea about my core strengths and functions. Not sure that I would make a move, but the right position might be enticing. Best,
