The Show Place on your block

IS YOUR HOME COMFORTABLE, restful
—and painted to harmonize with the landscape?
Do motorists point out your house to visitors? Or do
women exclaim over its charming appearance?

If you would make your home the colorful and attractive place it should be, there are a number of Fuller products to help you. Pioneer Shingle Stain, for shingle roofs, with its subdued and unfading shades and its superior penetrative and preservative qualities that retard decay. Or Concreta, a damp-proof coating for concrete or brick. Or Fuller's Pure Prepared Paint and Phoenix Pure Paint—unsurpassed for covering and wearing qualities which in the end will make them less expensive than paints which cost a trifle less per gallon. The reputation—74 years old—of Fuller paints and varnishes assures you satisfaction.

Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose. Get an estimate today from a master painter. Write our Service Department for advice and for a copy of our "Home Service" booklet. No obligation.
