Subject: Follow Up

Rick,

Sarah and I would like to follow up on some of the items discussed during the Administrator's meeting with Her Highness Princess Lalla Joumala. We want to ensure we are mindful of any suggestions or invitations extended. Please advise on who might be the best person with whom to follow up. If possible, we would like to arrange a call on Monday.

Thank you very much,

Millan Hupp

Got it, I'll swing by this Grill on the Alley then. I'm familiar with its location. I know Mr. Pruitt has a 2:00, I just wanted to say hello and thank him for some actions.

Good morning Mr. Love. I'm so glad 1:15 will work for you and I sincerely apologize for my tardiness in reaching out. The Administrator will be wrapping up another meeting at the Grill on the Alley at the Westin on Michigan Avenue (where SIGMA is taking place). Might you be able to join him for coffee at that restaurant?

My colleague, Forrest McMurray, will be there to ensure you two connect.

Please don't hesitate to text or call me at 202.380.7561.
