Dear Dr. Kehoe,

I have just been advised by Tropical Oil Company, Barranca Bermeja, Colombia, that Doctor H. B. Yettes has left Colombia and the employ of the Company.

→ In future all correspondence, dealing with medical matters, should be addressed to Doctor F. Ovalle, Chief Surgeon of the Company. The Doctor directly in charge in Barranca Bermeja and who will be making the periodic examinations will be Dr. M. Gracia.

I presume you will be writing Dr. Ovalle and that you will advise me should you wish me to send him copies of the Spanish reprints.

Yours sincerely,
