

ROYAL YORK HOTEL
TORONTO

Canadian Pacific Hotels

July 6, 1947.

Dear Dr. Kehoe:

This note is to express sincere thanks for the courteous consideration given me last Tuesday.

I shall be very happy to explore the various aspects discussed in greater detail either in person or by mail. However I do urge that either Dr. Ash or you visit Los Angeles to get a first hand picture of conditions there.

Cordially yours,
J. A. Deutch

Office of Air Pollution Control
