Good morning all,

Agenda point 2 refers to the comments and suggestions you provided the document 'Approach to SEA', which we sent in September.

We have received very constructive feedback and useful suggestions, many thanks again for this! Please find attached an overview of (some) comments received, and information how we currently deal with them. I will also point to some issues in particular in the meeting tomorrow.

Kind regards,

Subject: Draft agenda WP7 PFAS SEA project group meeting

Dear all,

Please find attached the draft agenda for the monthly WP7 meeting scheduled on Wednesday the 17th of November from 13:00 15:30.

If you have topics for the draft agenda and/or suggestions, please do not hesitate to contact me.

Feel free to share this agenda and the meeting invitation with your colleagues and, please, consider whether you find it useful to ask your WP4 colleagues to join the meeting in view of agenda item 3 "Discussion on tonnage estimates as proxy for risk".

Looking forward to discussing the topics with you on Wednesday.

Best regards,
