Good evening, Monica.

I have completed and submitted the form you linked in your email, but also wanted to flag an important update about the Annual WGA Breakfast Meeting with Cabinet Officials (please note that I have included Heather Haney, Toiyriah Turner, Sabrina McNeal, and Trish Fritz on this response, as I want to be sure all relevant DOT staff are made aware of this update):

Interior Secretary (and former Western Governor) Doug Burgum has graciously offered to hold the Breakfast Meeting at the Department of the Interior (DOI), and WGA has accepted. The date and time of the breakfast meeting has not changed, but the location and some important information has. All of that new information has been included in the form I just submitted online, and attached is the latest Breakfast Agenda and Run of Show.

We very much appreciate your understanding and flexibility with this venue change, and if there is any other information you need due to these changes, please do not hesitate to reach out.

Thank you and have a good evening.

Kevin
