

(Drislane - Purcell)

1 in the Institute was to make sure that employees working with
2 friction products that contained asbestos not take their
3 contaminated clothing home out of the plant?

4 MR. FRIESTEDT: Objection to form.

5 A I don't recall this. But there were something in
6 the OSHA regulations which came along. Now, I don't believe
7 in the original ones, I think later on about clean rooms and
8 showers and all that.

9 Q If I could direct your attention to page 6 of
10 Exhibit EE, could you read this section of the first
11 paragraph?

12 A "Personally I believe this" --

13 Q Excuse me, you can read to yourself.

14 A (Complies.) Yeah, okay.

15 Q Does that refresh your recollection that Mr.
16 Weaver believed it was important that employees not take
17 asbestos-contaminated clothing out of the plant?

18 MR. FRIESTEDT: Objection to form.

19 MR. MENDRZYCKI: Objection.

20 A That was his statement in that report, yes.

21 Q Do you recall in this time period, February 1973,
22 discussions at the Institute that the friction industry
23 needed to mount a very determined effort to prevent
