

MEMORANDUM

TO: David Schalk
FROM: Roberta Straub
RE: Nevada Power Company v. Monsanto Company, et al.
DATE: July 16, 1993

Attached is our Exhibit 1616 which Ralph would like you to incorporate at deposition.

You need to find out who the author is, authenticated it, explore it, and get it treated as non-hearsay. The reason is that this exhibit is regarding a meeting of GE at Monsanto wherein Monsanto admits that they are the only suppliers of PCB fluids in North America, something we have been trying to prove for some time.
