## MEMORANDUM

**To:** All Employers Participating in  
The National Asbestos Workers Medical Fund

**From:** Simone L. Orndol,  
Administrative Agent

**Subject:** Coverage for your Employees who are not  
Covered by Collective Bargaining Agreements

**Date:** June, 1991

The Executive Committee of The National Asbestos Workers Medical Fund is considering the possibility of allowing employees (of a participating employer) who are not covered by a Collective Bargaining Agreement to participate in The National Asbestos Workers Medical Fund. Rules and regulations would be adopted for this type of arrangement and it would require that all of your non-bargaining unit employees participate.

Prior to performing an extensive study on this matter, the Executive Committee has asked that I poll the employers to see how much interest there would be if The National Asbestos Workers Medical Fund adopted such participation rules. Please indicate on the bottom of this form whether or not you feel a need for The National Asbestos Workers Medical Fund to amend their plan to allow for coverage of your non-bargaining unit employees. Your response to this questionnaire will not obligate your company in any way.

Thank you for your assistance in this matter.
