Boston, Massachusetts 02215

Dear Miss McKay:

Thanks for your letter of May 14. I am not at all certain of what I shall do with respect to the preparation of an abstract for your use. I certainly cannot find the time to do so now or very soon. However, I shall bear in mind your interest and see what I can do about it later.

Cordially yours,

Robert A. Kehoe, M.D.
Professor Emeritus of
Occupational Medicine
