Ryan,

In case you have not seen it, I would like to flag the meeting request below/attached for your consideration.

In short, Jeff Shellebarger, President of Chevron North American Exploration and Production Company will be in DC on Wednesday, July 26th and would appreciate the opportunity to meet with Administrator Pruitt if schedules permit. The Administrator met with Jeff previously on March 21st. The focus of this discussion would be to follow up on their conversation about regulatory reform, particularly reforms related to EPA's methane regulations.

Hi Shawn,

Thanks for reaching out! Do you mind filling out a scheduling request form for the meeting? We are still working on his travel for the end of July schedule. But if we get the form filled out it and least start on the process on our end.

Appreciate your help, and please let me know if you have any questions!

Best,
Maddy
