Michele,

The Administrator has his own security. They will visit the venue the day before or day of to do a walk through with someone from our Advance team. They will also attend the event with the Administrator. We do use the speaking request document to give them a security POC at the venue. I noticed you didn't list one. Since it's at the Hyatt, they typically will know who to reach out to and will coordinate with the hotel.

I've copied Millan Hupp, Director of our Scheduling & Advance team here. If there are further asks as the date approaches, she will let you know.

Thank you!

Quick question. Wondering about security. Will the Administrator have his own security? And should we provide any additional at the hotel?

Michele

Hello Michele,

Thank you for completing. We would really like to do this event and would like to tentatively confirm. There is an all-day event at the White House that day and we are still determining the ask for the Administrator. We hope that we can make this work though. Would it be ok for us to confirm exact timing at a later date, when we've been able to nail down our other events for that day? We will plan for 5:10 to begin remarks for now and will let you know if that changes.

Additionally, it'd be great if you could update us when/if Secretary Zinke accepts the invitation so that the Administrator can be aware.

Thank you and we look forward to it!

Tate,

Thanks for the outreach yesterday. Attached is the invitation for Mr. Pruitt. Again, we would be extremely grateful for an appearance. We can be flexible on time between 5-7pm. Also our comms department can work with yours and coordinate a message. The EPA reforms are a big priority for us and Mr Pruitt is viewed as welcomed agent of change. Please let us know.

Thank you so much!

Laura.
