

June 26, 1972

Mr. Martin G. Dale
Department of Chapters
American Academy of Pediatrics
1801 Hinman Avenue
Evanston, Illinois 60204

Dear Marty:

Pediatric Lead Poisoning - AAP Conference

Thanks for your letter of June 15th.

We have now obtained the transcript of the Chicago session and should be receiving the material from Wilmington very soon. I would appreciate your sending me copies of the papers from both sessions which you have. It may be necessary for us to go back to some of the participants and have them correct the transcript and provide us with copies of their slides.

Sanseowagets get all the information together, I will contact you and John Hove regarding the possibility of a meeting to discuss eventual publication.

Enclosed with this letter is a copy of my expenses for the Wilmington session.

Sincerely,

J. F. Cole, Sc.D.
