Dear Dr. Ferrald:

Thank you for your letter of September 2, together with a copy of the manuscript of the scientist report, which has been received in Mr. Woodard's absence from the desk.

The copy of the manuscript will be passed around to those here who are interested, and I am sure Mr. Woodard will be interested in reading it on his return.

We shall appreciate your sending reprints of the published article in the quantities previously requested just as soon as they are available.

Yours sincerely,

(Miss) E. E. Ebert
Secretary to Mr. Woodard
