# Government technology news unfolds quickly. Stay in the know.

—  
Dear Ryan,

As an individual who works in government technology, we'd like to tell you more about our public sector technology publication, [Nextgov](#). *Nextgov* is the leading federal technology website, and a meeting place for government and industry managers to read the latest news and discussions and share insights on deploying IT successfully to achieve agency missions.

Below is a sampling of the different ways you can stay connected with [Nextgov](#). Whether it's [emerging tech](#), [cybersecurity](#) or updates on [federal CIO initiatives](#), *Nextgov* has you covered on what's happening in the technology across the federal government.

[Receive daily news updates](#)

## Connect with *Nextgov* to receive news updates

- [Nextgov Today Newsletter](#) | Your daily read on what's happening in federal technology
- [Nextgov on Facebook](#) | Never miss a story. Follow *Nextgov* and receive updates on federal technology news, right to your newsfeed
- [Nextgov on LinkedIn](#) | Stay connected and network with *Nextgov Fifty* to receive relevant updates on federal agency technology & IT initiatives

## Top Articles & Reports on *Nextgov* right

# now

- [FCC CIO To Leave For First-Of-Its-Kind Role In Government](#) | David Bray, who has been the Federal Communication Commission's chief information officer since August 2013, will leave the agency to become the chief ventures officer at the National Geospatial-Intelligence Agency.
- [Automated Cybersecurity: Removing Humans from the Equation](#) | This Special Report explores what current tools in government look like and how they can and will free up government cyber defenders to focus on higher-level issues in the future.
