Dear George,-

The enclosed letter is similar to one which I forwarded to you yesterday, but I am under the impression the other was from Asbestos Mines, while this is from Thetford Mines. I presume you will want to handle them personally.

Sincerely yours,

Assistant Vice-President.

Dear Mr. Smith:

Your letter to our Canadian office has been referred to me for reply. I am enclosing a copy of the English translation of the article which appeared in "Laval Medical". The original report, however, is much longer and as soon as copies are available, two will be sent to you. You may also be interested to see a copy of a letter sent to Mr. Lessard of the Federation Nationale des Employes de L'Industrie Miniere.
