**PHOTO RELEASE**  
**Governor Scott Thanks Law Enforcement and First Responders in Miami**

**MIAMI, Fla.** – Today, Governor Rick Scott visited the Miami Police Department to thank first responders and law enforcement for their commitment to Florida families. Last week, Governor Scott announced that Florida's law enforcement officers, first responders and utility workers will be able to enjoy license-free freshwater and saltwater fishing through June 30, 2018 and offered a free day-pass to all Florida State Parks through October 2018 by the Florida Department of Environmental Protection.
