NORFOLK AND WESTERN RAILWAY COMPANY

POCAHONTAS DIVISION
SUPERINTENDENT'S BULLETIN NOTICE

NO. 3

Bluefield, West Virginia
March 7, 1980

TO ALL EMPLOYEES CONCERNED:

It is against the policy of Norfolk and Western Railway Company for employees, while working on company property, to wear on their persons or attached to their clothing devices which attempt to measure air quality or noise levels in work places.

If employees are requested by Government Inspection Agencies to wear such devices, they will not be permitted to do so on this property.

P. J. Mikovch
Superintendent
