and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women children and elderly people, and they need just such a mild, safe, gentle bowel stimulant as Syrup Pepsin.

Under successful management this prescription has proven its worth and is now the largest selling liquid laxative in the world. The fact that millions of bottles are used a year proves that it has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, and breath, dyspepsia, colds and fevers.

Millions of families are now never without Dr. Caldwell's Syrup Pepsin, and if you will once start

using it you will also always have a bottle handy for emergencies.

It is particularly pleasing to know that the most of it is bought by mothers for themselves and the children, though Syrup Pepsin is just as valuable for elderly people. All drug stores have the generous bottles. A trial is sure to convince any household of the merits of this famous prescription

YOUR STUCCO HOUSE NEED PAINT? . . . THEN—

Look to BOTH ENDS of the PAINT BRUSH

HERE are the partners to paint your stucco house : : :
An experienced painter on one end of the brush . . . and pure lead paint on the other. They are famous for their ability to make stucco damp-proof and colorful. The skilled painter uses pure lead paint made with Dutch Boy white-lead to cover stucco with a beautiful, long-lasting film that does not crack or scale, that keeps dampness and moisture from the porous stucco . . . and prevents the surface from cracking.

With Dutch Boy white-lead, the painter can give you a gloss, eggshell, or flat finish . . . and exactly the tint or shade you want because he colors this paint specially for every job.

For full information about the use of pure lead paint on stucco, write us. Request also our new booklet, "The House We Live In." This contains valuable help in selecting colors for interior and exterior painting.
