Ryan,

Doug Ericksen here. I was on the transition team and I am scheduled to start with EPA Region 10 as an appointee on December 4th.

I am in DC today and tomorrow. Do you have any time for me to pop in for 5 to 10 minutes to touch base?

Today works best with the exception of 11 am meetings I have on the Hill with Congressional members.

Tomorrow in the morning is also free right now.

All the best and I hope that things are going well.
