W. R. Zanes & Company
721-22 U. S. National Bank Building
Galveston, Texas 77002

Dear Patti:

Enclosed are the endorsed ocean bill of lading and commercial invoices covering shipment of 200 tons of Grade D-11 Amosite Asbestos Fiber on board the s.s. "James MacKay" scheduled for discharge in the port of Galveston.

Please arrange for the usual clearance of this shipment and forwarding to our factory in Owentown, Texas.

The original inland rail bills of lading are to be forwarded to this office with your invoice for services rendered. The consignee's memo should be sent to our factory in Owentown.

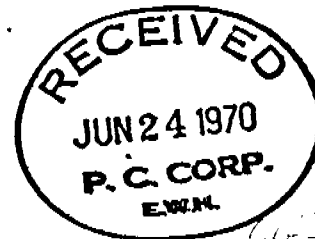

Very truly yours,

Robert Fragasso
Credit Manager
