**Subject:** I might need to set up time with you

Hey man, one of my refining guys wants to come in and see you next week re: RFS/RINs. I know you aren't in love with this issue but we've been working on something that might help alleviate the RIN price problem.

Can you call me (202-841-1638) when you get a chance or give me a couple times that work on your end? We pretty wide open next week but will make almost any time work that's good for you.

Thanks Ryan.

David

Liz missed our call this morning and I haven't been able to get in touch with her. Is there something I should be aware of?

Thanks
