DOCUMENT DESCRIPTION: Letter to Mr. Cameron from Dr. Winslow RE Mr. Bergquist's Decision RE Personnel of Review Committee

310 Cedar St.

March 21, 1932

Mr. W. H. Cameron,
20 North Wacker Drive,
Chicago, Ill.

Dear Cameron:

I should be very happy to hear of Mr. Bergquist's
decision in regard to the personnel of the reviewing committee.
I assume as soon as the committee is appointed that its chairman
will write to Messrs. Jones, Olsen and Hansen to ask them to submit
their material at an early date. I particularly hope that Mr. Jones
will be given a fairly prominent part in the discussion as it
seems to me his viewpoint is very reasonably and constructive.

Yours very sincerely,

C.-E.A. Winslow
