Dear Dr. Kehoe:

Thank you very much for your letter of January 30, 1980. The points you raised are certainly ones which should be considered. I believe it would be quite appropriate for you to be in direct communication with Dr. Givens. I would appreciate any copy of correspondence between you.

If you are finished with the material that I sent to you from Dr. Givens I would appreciate its return.

Thank you very much once again for your help in this matter.

Sincerely yours,

Sidney Lerner, M.D.
