Re: Sample v. Pfizer Inc., et al

Dear Lou:

Following up on your comments to me and Mike Pagan about your phone discussion with Sharla Frost, Pfizer looked again and found no additional information/documents to provide in response to plaintiffs' discovery requests. However, please find enclosed additional Pfizer documents, "Sample PFZ 0046 to 0088," indicating that an additional search was made in good faith and that no additional material responsive to plaintiffs' discovery requests was found.

Please let me know if you have any questions or would like to discuss this further.

Very Truly Yours,

Theodore D. Agniel
