Dust Experiments

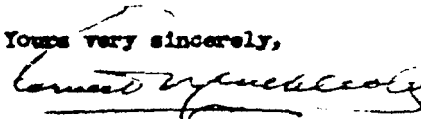

Dear Mr. Brown:

Approximately six months have elapsed since your letter of December 15, 1944 wherein you quoted a paragraph from a letter received from Dr. Gardner.

I am now taking the liberty of writing again to ask whether he has by now had the opportunity to complete his experiments and write up his report, or whether it is possible for him to advise us when we may expect to receive the report.

Awaiting word from you and with best wishes, I am

Yours very sincerely,
