INTER/OFFICE COMMUNICATION

Armstrong CONTRACTING

April 25, 1967

To J. E. Zeller - Lancaster

From H. N. Nunis - Richmond

Subject Attached Questionaire

Attached is the questionaire which was sent out to the Asbestos Workers in this area. I assume you probably have a copy, but I will forward this one just in case. The form is self explanatory and in line with what has been going on in this area concerning Asbestosis. We have several claims and several cases diagnosed in the Richmond Local 88 of Asbestosis. We also have a pending claim by an Asbestos Worker who claims total and complete disability. We have been besieged with claims, rumors, and conversation concerning Asbestosis, and I strongly recommend that the Company formulate its thinking on how to handle future claims and the cases of Asbestos.
