Attention: Mr. Nicholas J. Mangano
Asst. Plant Manager

Gentlemen:

Approval is granted to use the air recirculation system which you specify in your application of October 5, 1970.

Any alteration to or change in the material handled by the system, or any additional system, will require another request for approval.

Our Hygienic Information Guide entitled "Air Recirculation" and Article 432, as revised, are enclosed.

Very truly yours,

Leon T. Gonshor

Approval of this AR system is recommended for the following reasons:

1. Relatively innocuous contaminants collected.
2. Cleanliness of area observed during inspection.
3. Contribution to housekeeping program.
4. Unit does not present a health hazard.
