Mr. F. M. Carter, President
National Lead Company
111 Broadway
New York, N. Y.

Dear Mr. Carter:

Thank you for letting me read the correspondence you have had with Mr. Janssen relative to Mr. Day's telegram of pretest. I think you have made a very fair rejoinder.

I took the opportunity last December of acquainting Mr. Day, Jr., with certain features of the white lead business which he had evidently not considered when he brought up a complaint similar to that of his father. Evidently more education is necessary and at the next opportunity I hope that I shall be able to go into the whole subject thoroughly so that the feeling which Mr. Day possesses may be dispelled.

Sincerely yours,

Secretary.
