Carson,

This is the organization that I mentioned to you last night.

Thanks,

Scott

Scott J. Cameron

Acting Assistant Secretary for Policy, Management and Budget

Office of the Secretary of the Interior

Desk 202 208 4242

Scott- nice to see you and glad things are going well. CSIS has lots of programs and a lot on energy you may be interested in as well. Sarah Ladislaw is the contact in energy and she is great but it is a large organization. You should feel free to contact her and use my name.

Happy Holidays and let me know if you have any questions.

Best. Judy

The CSIS Energy & National Security Program cordially invites you to

International Energy Agency's
World Energy Outlook 2017

featuring

Fatih Birol

Executive Director, International Energy Agency

moderated by

Sarah Ladislaw

Director and Senior Fellow, Energy & National Security Program, CSIS

Tuesday, January 16, 2018
1:30 p.m. to 3:00 p.m.

Center for Strategic & International Studies
1616 Rhode Island Ave NW, Washington, D.C. 20036

The CSIS Energy & National Security Program is pleased to host the U.S. launch of the International Energy Agency's [World Energy Outlook 2017](#) (WEO). WEO is the IEA's annual report on the state of the energy sector from a global perspective, providing comprehensive analysis of the interplay between energy policy, markets, and technology development.

A presentation of WEO 2017's findings and analyses will be given by **Dr. Fatih Birol**, followed by a conversation moderated by **Sarah Ladislaw**, Director and Senior Fellow of the CSIS Energy & National Security Program.
