"Wally" Dahlquist, Napa Junction road, local Fire commissioner, and is survived by her husband, Emil Dahlquist, who now lives here with his son and family.

She had lived in Napa Junction from 1941 until "Wally's" wedding a few years ago, and had helped her husband and son build the home where Dahlquists now live. Most of the older residents of the area were her friends.

Two brothers and a sister also survive, Edwin Miller and Mrs. Hulda Lembke of Washington, and Malte Miller of Oakland.

Funeral services will be held on Saturday at 2 p.m. at the Treadway and Wigger Funeral Chapel, 263 Coombs street, Napa.

The Sanitation Study Committee of the Napa Junction Parent-Community Club has asked that a rumor be stopped. No petition to the Napa County Supervisors for a sanitation district is being circulated by the committee at this time. Period.

Mrs. Diane Smith, 101 Joan drive, is recovering from surgery for an old leg injury, and expects to be home some time next week. She is at Vallejo General Hospital.

Close neighbors report that her husband, Adwin, is being very efficient at housecleaning in her absence, and taking good care of their children, Ronald and Victoria Ann.

A symposium on "Growth and Development of the School Child: Kindergarten Through Sixth Grade" will be presented by the Parent Education Committee of the NJP-CC on Tuesday, May 15, at 8 p.m. at the school.

Dr. C. Shriner, from the Napa County School Board, will be the principal speaker, following a brief touch on the months preceding kindergarten and that year of the child's life by Mrs. Bonita Wall, who teaches two kindergarten classes totaling 60 students at Napa Junction.

Formation of a separate PTA will be discussed at this meeting, and a nomination committee will be chosen, if it is approved, so that elections may be held in June. Evidence that a separate PTA is desired by parents was given at the last NJP-CC meeting in April, though the actual vote was tabled till this month.

The rapid growth of the community, and better attention to the subject of parent education were considered the main reasons for formation of the PTA. In this way, the community improvement group will also have more time at meetings for local civic problems.

Mrs. Helen Jennings will preside as program chairman.

Happy Birthday! From April 19 to date, these youngsters have celebrated birthdays: Jerry Halterman, Box 694; John McGinty, 9 Del Rey Court; Steven Erler, 28 Joan drive; Thomas Moreno, Box 662W; Mark Smith,

Specially made for WEST COAST

It's Rubber-Tough... Color-Fast... Mildew-Resistant!

KEM-KRETE has been thoroughly researched, developed and proved on-the-job by Sherwin-Williams, the world's largest paint maker. Without a doubt, it offers you the greatest value in long-lasting beauty and protection for exterior masonry surfaces.

- KEM-KRETE flows on smoother and faster than ordinary masonry paints.
- KEM-KRETE dries fast to a surface that can't be harmed by dust, bugs or sudden showers.
- KEM-KRETE resists all kinds of weather extremes. Dirt and moisture cannot penetrate.
- KEM-KRETE sets up a slow chalk-off action that makes it a self-cleaning paint.
- KEM-KRETE resists blistering, peeling, mildew, and alkali color-burn.
- KEM-KRETE comes in 39 beautiful colors, made especially for homes, apartments and commercial buildings in this area.

FREE HOME INSPECTION . . . we will inspect the condition of the surface of your home and will advise you on the best painting procedure. Phone us today.
