

1 Justice on the manufacturing plant that
2 remanufactures, rebuilds truck brake shoes. And they
3 were in excess of fiber release that was allowed by
4 statute.

5 Q Now, I also noticed and am aware that you
6 have testified for Ford on a number of occasions in
7 personal injury cases?

8 A A few cases, yes.

9 Q Do you recall, sir, how many times cancer
10 has been alleged against Ford by a brake mechanic who
11 handled Ford brakes or clutches?

12 A I have no idea.

13 Q The same question with respect to
14 mesothelioma.

15 A I have no idea how many people have alleged
16 that.

17 Q Well, as the Ford representative, have you
18 ever asked Ford for that information?

19 A I have not asked for that, nor have I seen
20 that.

21 Q Am I correct that you have testified for
