Thanks Jerry. Looping in Mandy and Alex - do you all have some time tomorrow? Of course, I dropped the ball on this yesterday and we missed a day. I am so sorry.

Samantha: I hope you are doing well! I wanted to check on the possibility of a meeting with Mandy's team in Clean Air for LKQ. LKQ has an interest in certain provisions of Phase 2 Greenhouse Gas Emissions and Fuel Efficiency Standards for Medium- and Heavy-Duty Engines. I understand from them that there was a hearing on the issue today. I believe LKQ simply wants to learn more about this process. A representative from LKQ is in town tomorrow and Wednesday. Of course, we would make ourselves available at a time chosen by the team.

As always, thanks for your consideration.
