January 29, 1974

Dow Chemical Company
347 Building
Midland, Michigan 48640

Attention: Mr. Earl Clarey

Dear Mr. Clarey:

Under separate cover, we are forwarding to you three vials of Methocel samples as suggested by Mr. L. Cox of your Moorestown, New Jersey office. We would like you to run viscosity determination on all three samples.

Would you please inform us of your findings at your earliest possible convenience.

Very truly yours,

TENNECO CHEMICALS, INC.
Organics & Polymers Division
