Dear Mrs. Blinn,

We are sorry our letter was not clear as to the report we are interested in.

We are awaiting the publication of the Gypsum Report which covers a study made many years ago in which Dr. Gariner and Tom Durkan and our company were very active.

During the February meeting, both Dr. Schepers and Mr. Durkan mentioned privately that this report would be published this spring. Can you give us any information on this report?

Thank you for your time and effort.

Yours truly,

E. C. Beuthin
