File C306-17773R

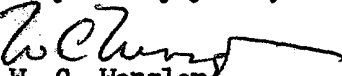

Dear Ray:

This will confirm our telephone conversation of this morning, July 20, 1971, regarding the above Workmens Compensation claim and the Interrogatories that have been sent to you by our North Brunswick Office.

Our North Brunswick people advise that the answers that were sent to you were prepared by our adjuster, Tom Fitzgerald from information he obtained from your company's Mr. Fialaka and Mr. Bartelme. They indicate that if these answers are not correct, they would appreciate your so advising so they can make the necessary correction in the final draft for the answers to Interrogatories.

As you and I discussed, you intend to call Mr. Bartelme to verify these answers prior to giving your okay and for your further information, I am sending you a copy of a summary of this case which should fill you in on as much background as we have at the present time.

Very truly yours,

W. C. Wangler
