FROM: R. W. Smith

SUBJECT: ASBESTOS SUPPLY COMMITTEE

This letter is to summarize the action items that came out of our meeting yesterday concerning this subject. As I recorded them, the action items and the person responsible for following them up are as follows:

- 1/14/75 1. Check asbestos brokers--Novak and Wearam - O'Neill
2. Check with Avison for leads on asbestos - Reynier
3. Check trade association and magazine entitled "Asbestos" - deBrabander (O'Neill will also try to locate copy of "Asbestos" magazine.)
4. Check with Joe Cregg on asbestos supply contact at Johns Manville - Smith
5. Check suitability of other asbestos sizes and types including the use of fines with no leaching - deBrabander
6. Check with Hercules International for possible sources - Smith
7. Check with European Haveg manufacturer - Barton

Let's plan to get together at 3:00 p.m., Friday, January 10, in the Foam Conference Room to discuss status of these action items.
